## T. Igwe

Dear Hiring Manager,

I am writing to apply for the Warehouse Operative position with immediate start. I am highly motivated, reliable, and ready to begin work straight away on either day or night shifts, including overtime.

I am physically fit and comfortable with manual handling, including lifting parcels up to 30kg and moving heavier items with assistance when required. I work well in fast-paced environments, can follow instructions accurately, and am flexible to switch between tasks such as picking, packing, loading, and general warehouse duties during a shift.

I am punctual, dependable, and understand the importance of meeting targets and maintaining safety standards at all times. I am available for AM or PM shifts, full-time or part-time, and can work across different London locations as needed.

I have the legal right to work in the UK and am happy to work under PAYE or self-employed arrangements. I am available for interview immediately and can start work at short notice.

Thank you for considering my application. I look forward to the opportunity to contribute to your team.

Kind regards,
